Principal's Message

PURPOSE is a very hard thing to define, but it is very easy to know who has it and who lacks it. One of the greatest obstacles to serious purpose today is the size and complexity to which every thing in modern life has grown. The once-rare privilege of being a high school graduate is something you now share with a million other Americans. Science, which has in the past pleased us with such things as the electric light, telephone, and television, now presents us with the atom bomb and the H bomb and aspires to harness the energies of the sun. It is very easy to become lost and without purpose in such congested and fast-moving traffic.

As a member of the first class to graduate from the new Lawrence High School you have a part to play, a purpose to fulfill. The enthusiasm that you apply to this purpose will determine the success you will be as a person. We hope that the inspiration of Lawrence High School has given you this purpose and this enthusiasm.

Senior Class Ode

Words by *Clarissa Binning*

Music by *James A. Stevens*

As we pass through your portals,
Our eyes are filled with tears.
Our thoughts begin to stray awhile
Back across the years.

No longer will our laughter,
Echo through your halls,
Nor will our voices mingle
With your roaring vict'ry calls.

But we'll face the world with courage,
And we'll give our thanks to thee.
For you have been our refuge,
You've given us the key.

The time has come to leave you,
Dear old Lawrence High.
We'll only say so long,
We'll never say goodbye.

Smythe Honor Roll

EVERY year two members of the senior class are chosen to have their names cast in bronze on the Henry Herbert Smythe Honor Roll. These two, a boy and a girl, are the students, who in the eyes of their classmates best exemplify the qualities of Loyalty, Honor and Service. Harriett Bourne and Arthur Vidal are this year's additions to the Roll of Honor.

Harriett Bourne

Harriett, better known to her fellow students as 'Hashie," is one of the most active members of the senior class. She was named the D. A. R. representative, is a member of the Student Council, Vice-President of the Senior Class, one of the two head cheerleaders, member of the girls ensemble, glee club, and the A Cappella Choir, went to Washington as a member of the Travel Club, helps Mrs. Harper in the office, is a co-editor of the Lawrencian, and was also elected to be one of the representatives to Girls State as a Junior.

Arthur Vidal

Arthur Vidal, known to all as "Joe," is a very active student in L. H. S. He is President of the Student Council, a member of the Varsity Club, went to Washington as a member of the Travel Club, he played quarterback on the football team, he was President of his class in his Freshman and Junior years, and as a Junior was one of the representatives to Boys State. He was moderator for the model congress the seniors organized, was on the senior class play committee, and is social chairman of the senior class.

Babe Ruth Award

THE Babe Ruth Award, presented annually to a senior boy and girl who have best displayed good sportsmanship both on and off the field, is awarded this year to Arnise Burrill and Richard Carter. Their names will be cast in bronze and added to the Babe Ruth Award Plaque.

Arnise Burrill

Arnise, known to all for her kind disposition, is an active member of her class. She played on the basketball team for two years, added her talents to the cheering squad in her senior year, was a diligent worker on the *Intelligencer Staff*. and also acted as art editor of the *Lawrencian*. Her strong alto voice made her an appreciated member of both the Glee Club and the A Cappella Choir. After graduation, Arnise plans to attend school in order to become a laboratory technician. We all know that she will be as successful there as she has been here at Lawrence High.

Richard Carter

Dick Carter, who has been with us for the past two years, has been outstanding in sports. Dick was star forward on the basketball team for two years and was also a prominent figure in track and football. He was chosen Captain of the football team this year and was considered the outstanding tackle, as well as being a sparkling fullback and center.

His plans for the future concern the furthering of his education, which we feel he is sure to be successful in because of his memorable ability for aggressiveness.

Class Prophecy

AS THE lights go out at the Lawrence Drive-In, and all the cars drive into place, we find a few old friends making acquaintance.

We always knew somebody would replace "Uncle Miltly" so it's no surprise to find ARTHUR RATSY on TV every Tuesday night. Of course the jokes came with the business so he hired ROBERT ELDREDGE to sit in the front row!

BILL SMITH is a retired dentist now. He struck oil the first day in practice.

DANNY BARTOLOMEI'S "Pizza Palace" in Bourne is really booming. No wonder he decided to be a doctor!

In Miami, Florida we find that PHIL STONE has become a successful barber. He and CONNIE CORREIA were the proud parents of three little barbers and two little hairdressers. Quintuplets!

The A & P in New Jersey is lucky to have KENNY BENOIT as its manager and JOHN MACEDO packing the baloney away.

CLARISSA BINNING and GAIL CROFT, now living in North Carolina, have something in common—a husband. While Clarrissa is raising airmen, Gail is raising firemen.

The Insurance Companies decided it would be cheaper to keep RAY GESSNER in the hospital.

BRUCE MACKILLIGAN is now the President in charge of shining all the silver dollars at the Second National Bankrupt.

PAT BONITO is no longer counting silver dollars and greenbacks. She now has a beauty shop all her own in New Jersey.

Out in Washington, RALPH TAYLOR re-enlisted in the Navy, and JOAN DUFUR went back to singing her "Indian Love Call" at 3:00 A. M.

ARTHUR VIDAL designed a train to the moon, "The Vidalia Choo Choo." It returns every 10 years and is due today. Guess what they have in the last car—Private Eye JIM SOUZA with his pet cow from the Endless Caverns.

JUDY SOARES has made progress as a Registered Nurse. She found the sure-cure for all ailments in "Dairy Queen."

Admiral BILL FERRO is now aboard the U.S.S. Gallagher trying desperately to teach Seaman First Class DICK DUFUR the art of "swabbing the deck."

Physiotherapists, Incorporated headed by MARGARET ROGERS and ARNISE BURRILL are intensely examining the throat of that famed mezzo soprano LORETTA ANDRADE, after her annual serenade to George.

DEAN WEBBER, an honored graduate of MIT received world-wide recognition when he filled the now vacant shoes of Mr. Albert Einstein.

We finally found Chemical Engineer CARL JENKINS in Detroit, Michigan receiving the profits from his latest invention—nylon tires to go with his orlon car.

In addition to his duties as Senator of Massachusetts, THEODORE DUDLEY has undertaken as a sideline, horticultural exhibits which have brought him fame throughout the world with due appreciation to his gardener DAVID DUFUR.

CAROL FINNELL finally succeeded in winning a contract with Metro-Goldwyn-Mayer and will play opposite JOHN CONNORS in "The Tarzan Series."

EDMUND SHERMAN is captain of the Nantucket Ferry and was recently seen conversing with those promising young journalists, KATE WATSON and GLADYS PACHECO. He was surprised to hear that Kate, is now Editor of the Saturday Evening Post, and Gladys is Circulation Manager for Readers Digest Condensed Novels.

STERLING GEGGATT finally hung up his gloves and spikes and has opened up an electrician's business with RICHARD KNOWLES as his partner.

LILLIAN SOUZA has just completed five years research work, and as a result has written a new anthology of English Literature.

It was good to hear PRESTON MASON'S voice over WJAR the other day as he was announcing the new changes in basketball rules for the season.

LINDA BURTON, who received her driving license a year ago this month, has been doing rather well with her new Driver Education School in Munich, Germany.

It was indeed a shock to find RICHARD FAIRCLOUGH in Boston where he teaches a course in a school he owns called "The Art of Eloquence and Being A Gentleman."

After changing her plans for nursing, ELSIE TEIXEIRA is now happily married and in addition to taking care of her youngsters she writes book reviews in the Enterprise.

JOANNA MIRANDA owns a beauty culture school in Hollywood where all the big celebrities come and go.

PENNY DEMELLO is still enjoying the luxurious benefits she received after winning the much sought-after title of "Miss America."

We never believed it was possible, but it finally happened—Arthur Godfrey has found another Tony Marvin in ANNE GALLAGHER. The two certainly keep everyone amazed with their musical duets, diction battles, and commercial killers.

Thanks to MARY DA SILVA and her "Exotic Flower Shop," situated on the Waquoit Riviera, The Class of 1964 was finally able to have their Hawaiian theme for the Senior Prom, with orchids flown in direct from Waikiki by BOB JOSEPH.

Registered nurse HILDA PIRES recently returned from Switzerland with the latest hairstyle of the Alps created by Madame "Marie" ANTOINETTE COSTA and appropriately named "mountain fluff."

The surprise of the decade! That busy housewife ELAINE PIMENTAL is expecting her new yellow "64" atomic Cadillac convertible equipped with an automatic break-down rebuilder today. The exterior designed by JACK SULLIVAN, and interior upholstery by DIANE GOULART.

JOHN CARROLL returned to Plymouth State Teachers College to witness the latest experiments performed on his priceless antique car, which he willingly donated upon his departure from school.

ELAINE HENRY is now making fabulous sums of money in television where she plays the part of Mrs. Gurney on the Mr. Peepers show.

Second lieutenant PATRICIA ALVES is now recuperating after being the first woman to go to the moon in a rocket and return. She is under the able guidance and assistance of her private nurse, IRMA PETERS.

RUTH COREY and GILDA MONTERIO have gained back all their weight and more since their calorie-counting high school days. They put this poundage to good advantage and now earn tempting salaries as fat women in Ringling Brothers Circus.

A special banquet will be held next week at RICHARD CARTER'S renown "Athlete's Room" in honor of General Hans Peeters who will then celebrate his eighth year as Chief Interpreter for the United Nations.

We find BARBARA JONES doing rather well in the "Messy Nurses Hospital" and HELEN LONG in the laboratory patiently studying the repair of "leaky" faucets.

That soothing, romantic voice that comes over the air every Sunday night is that of our once-so-shy JAMES HAMMOND. After taking over Sammy Kaye's "Sunday Serenade" he found himself so swamped with female fan letters that he had to hire HENRY WILLIAMSON to open the mail and lick the stamps.

We find that HARRIETT BOURNE has combined her academic ability to "till the soil" and is now the head secretary for the National Foundation of the Future Farmers of America.

PETE NEILSON is still trying to explore the world alone.

STANLEY SANTOS, the wealthy architect, can be seen stepping out of that fabulous Tailor Shop on Fifth Avenue owned by WINIFRED ANDRADE and LORRAINE PETERS who have become experts in the field of stitching.

That wealthy chemical engineer JAMES POLITO now with the DuPont Company of South America, is financing the Broadway production "Dear Ruth" in which JUDY PERRY and EDDIE RAPOZA are playing the leading roles.

Now that the show is over and all have said their "hellos," we meander back to our respective homes—to make ready for a new tomorrow.

JUNIORS
SOPHOMORES
Colleges
FRESHMEN

Left to right: Edith Duane, Dennis Clough, Carol Hunziker, Margaret Flora.

Junior Class Officers

THE Junior Class this year elected Dennis Clough as President, Margaret Flora as Vice-President, Edith-Ann Duane as Secretary, Carl Hunziker as Treasurer, and Rosie Pacheco and Herb Weeks as Social Chairmen. The Social Committee, which included Delores Botelho, James Lyons, Judy Medeiros, and Marvin Thompson, was made up of one student elected by each Junior homeroom. In January our President appointed a Ways and Means Committee from a group of volunteers. This committee, made up of Bruce MacGregor, Gaye Chalmers, Rosemarie Bourgoin, Maureen Tracy, Raymond Tow, and Dennis Clough, has taken orders for iron-on letters to be sold by the Juniors for eight cents apiece to make money for the class treasury. Also to build up our treasury, we have bought fifty L. H. S. bracelets from the Travel Club to be sold next year.

From the Junior Class this year, Dennis Clough, Reginald Andrade, John Rose, Douglas Blake, and James Lyons were on the football team, with Charles Swain and Raymond Tow as their managers. The co-captains of next year's squad were elected to be Dennis Clough and Reginald Andrade. To help cheer the team on, Judy McAdams, Carol Fonseca, and Pat Romiza were the Juniors on the cheerleading squad. The new Junior cheerleaders to cheer with the rest of the squad next year are Edith Miles, Nancy Porter, and Sally Peters.

Our big social event was held on December twelfth, when we held our Snow Ball. It was held in the new L. H. S. gymnasium, with silver stars hanging from the ceiling as the main decorations. Barbara Van Ham was chosen by the orchestra, which was the Four Aces, to be queen; and Russell Soares, her escort, was the king. Although we lost money on it, we felt that those who attended had a wonderful time.

Our class rings finally arrived in January, after everyone had been waiting patiently for them. Its main feature was a crest which was especially designed for L. H. S. with the front door of the school used as the crest. Mr. Gene Manchester, of the L. G. Balfour Co., sent us a crown free of charge along with a ritual for a Ring Dance. We had planned to have a Ring Dance, but the rings were late in arriving so it had to be cancelled. We hope that next year's Junior Class will start a new tradition with such a dance.

This year, the Junior Class is going to share expenses with the Senior Class for the Junior-Senior Prom, to be held May twenty-eighth. The Junior Social Committee is making the arrangements with a committee of four from the Senior Class. The Seniors have decided on a Hawaiian theme and they will take care of buying the decorations (which they hope will be real Hawaiian flowers) and hiring the orchestra. The Juniors will provide the refreshments and pay for the hall. We hope to set a new tradition in L. H. S., and maybe in a few years the Junior Class will put on the entire Prom for the Seniors.

Seated (l. to r.): Secretary, Beverly Aruja; Treasurer, Genevieve DeSouza.
Standing (l. to r.): President, John DeMello; Vice President, Caesar Pena.

Sophomore Class Officers

THE advisors of the Sophomore Class during "53" and "54" were Miss Odgen, Mrs. Crooks, Miss McKenzie, and Mr. Craig.

The Class of "56" was the first class to hold the Annual Sophomore Bean Supper in the new Lawrence High School cafeteria. This event, over the period of years, has become a challenge for each new Sophomore class in the respect that every class tries to surpass the record set by the previous years. This year the Sophomore Class took the lead in making more money than any class to date.

The Bean Supper was held in the cafeteria of the new school and the menu consisted of beans, hot dogs, potato salad, coleslaw, rolls, homemade pies and coffee. This fine supper was served by members of the Sophomore Class. Immediately following the supper everyone enjoyed two hours of entertainment also presented by members of all the four Sophomore English classes. The entertainment was made up of four plays and specialty acts.

The advisors of the Sophomore Bean Supper were Miss McKenzie, Miss Ogden, Mrs. Crooks, Miss Moorman, and Mr. Craig.

The supporters who helped the class were Mrs. Barry, Colonial Cleaners, and the custodians of the Lawrence High School.

We are proud of the letter men in our class, who were Caesar Pena, Lee Bourgoin, and Rawson Jenkins. We were also quite proud of John DeMello, Jeanne Irving and Silvia Lawrence for representing our class as members of the Student Council. The members of the Key Club were John DeMello, Lee Bourgoin, Raymond Rioux and William Dougherty. We also had members on the Intelligencer Staff. They were: Mary Jane Emerald, Marguerite Eldredge, Carolyn Correllus, Marylen Tyler, William Dougherty, Judy Rapp, Nancy Clark, Ginger Sullivan, Pat Morse, and Martha Finnell. Members of the baseball team from our class were Edward DeMello, William Dougherty, Franklin Jonas, George Medeiros, Stanley Silvia and Caesar Pena. Representatives on the cheering squad in our class were Jeanne Irving and Sylvia Lawrence as regulars, and Martha Finnell as an alternate.

In the future we plan to hold a box lunch and dance combined, and hope that it will be a big success. We also have bigger and better plans for the future and we are sure that we will accomplish a great deal more in our junior year due to the accumulation of experience.

Seated: President, Douglas Poole.
Standing (l. to r.): Secretary, Patricia Vidal; Treasurer, Judy Sheehan; Vice President, Chris Bullock.

Freshman Class Officers

THE first task that we accomplished as a class was the election of ninth grade officers. We chose these in much the same way as the town election is conducted. The first step was to obtain nomination papers all filled out. The people wishing to be candidates had their friends sign these papers. Enough signatures on a paper would insure the name of the candidate on the ballot. All the candidates then had an opportunity to speak before the entire school. The day after these speeches the election was held. We used the official town ballot box and voted by checking in and out with election clerks.

The winners were, Douglas Poole, president; Chris Bullock, vice-president; Pat Vidal, secretary; Judy Sheehan, treasurer; Carol Cummings and Billy Armstrong, Social Chairmen.

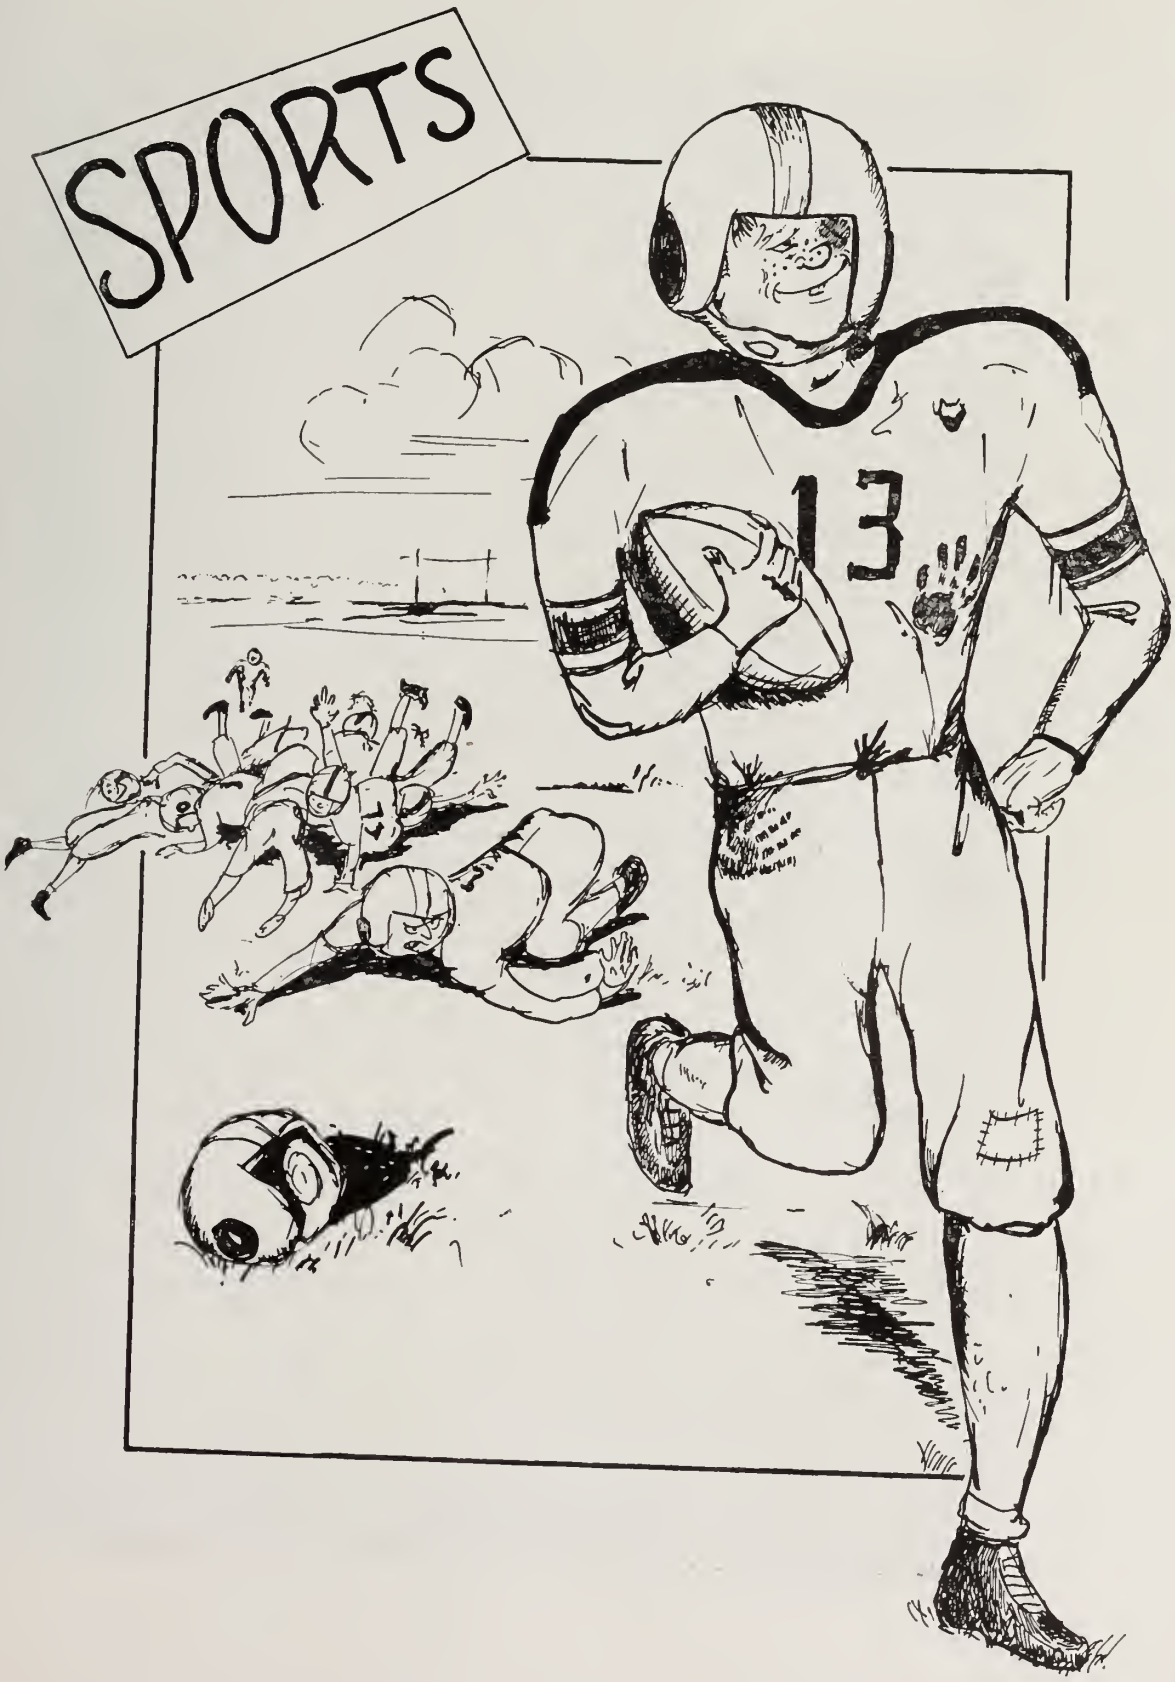

The second activity that we held was a dance. This dance was called the "Parade of the Future," which was a tremendous success. Everyone that attended came dressed in original costumes which they created themselves. The Queen was Frances McGuire, who was dressed as a bull fighter and the King was Douglas Poole, who was attired as a man of the entertainment world. Chaperones at the dance were, Mr. and Mrs. Issokson, Mr. and Mrs. Tassinari, Mr. Kinney and Mr. Roberts.

The next activity we put on was the traditional Freshman Minstrel Show, which turned out to be another success! All the hard planning and worrying under the direction of our class advisors paid off, and the cast showed a lot of talent and school spirit. Some of the outstanding acts consisted of, Robert Hayward who played the ukelele and sang; Carole Cummings and Linda Collins who pantomimed the recording of "Men Are Good for Nothing;" the Can Can (a dance number with flashy costumes,) consisted of Marianne Costa, Jane Pacheco, Roselie Pimental, Deolinda Pimental, Beverly Netto, and Pat Vidal.

The last of our class activities this year was the Freshman Prom. This was the outstanding social event of the year and we spent a lot of time planning and preparing for it. We secured Con Coppi's Orchestra to play for us and found them to be very entertaining. This affair was held in the Gymnasium of the Lawrence High School on Friday, May 21. We had very cute and attractive programs for the event which many of the class saved for souvenirs.

During the last week of April, cheerleading try-outs were held in the Gym. Those Freshmen who were selected as cheerleaders were Nancy Rioux and Pat Vidal, regulars, and Mary Lee Craig as alternate.

The members of the class who have served on the Student Council are Linda Collins and Carole Cummings, representatives, and Ann Langenheim, a senator. They attended the spring and fall conventions with the other members of the Council.

L. H. S. Basketball

THIS year's L. H. S. Varsity Basketball team compiled six wins but turned in nine defeats. Coach "Marshie" Douthart's hoopsters headed by Captain Preston Mason produced many thrilling games for the Lawrence High basketball rooters at the High School's new gymnasium.

The first game of the season was a real thriller. The L. H. S. Five beat Chatham, 49-46, at Chatham. The team was outstanding in all departments, and scoring honors went to Bill Parent with 16 points, and Dick Carter with 10 points.

The Cagers lost the next two games to Wareham 60-45 and to the Alumni 51-38. However, on January 12, Taunton lost to our boys by a score of 46-45 in the most exciting game played in our new gym. Captain Mason paced the attack, netting 21 points.

Losing their next four games to Bourne, Barnstable, Yarmouth, and Barnstable, in that order, the Maroon came back with a victory over Nantucket, 52-43. Again Mason was high-scorer but received some fine support from Pena, Rose, and Carter.

On February 2, Lawrence was again defeated by Yarmouth, 53-33, on their home court. The points in this game were evenly distributed among: Mason, Rose, Carter, Pena, and Parent. At Falmouth, in the same week, the "Douthart Men" gained their second victory over Chatham by a score of 72-61. Rose and Mason scored 19 points each.

Their next game was played at Taunton and Falmouth lost to the Taunton men 72-63.

After trouncing Sandwich, 67-44 the maroon quintet won an important game with Bourne, 72-62 making them eligible to enter the Cape Cod Principal's Association Tournament.

Plymouth edged Lawrence, 60-58, to finish off the maroon's schedule.

Having been picked to play Yarmouth in the CCPA Tourney, they traveled to Chatham to play but were out-classed by the Green and lost 65-46.

The Lawrence High men now entered the Bay State Tourney but were quickly eliminated by Dighton. The score of that game was 65-61.

L. H. S. Baseball

WITH the return of only five holdovers from last year, Coach Allietta's baseball forces were somewhat dubious about a winning season in the newly-formed Cape Cod Principals' Association League.

However, up and coming sophomores and juniors such as Dick Cabral, Caesar Pena, Tom Doktor, and George Medeiros, capably supported veterans Nelson Baptiste, Daniel Bartolomei, and Captain Sterling Geggatt who were greatly responsible for three initial victories over Harwich, Orleans, and Yarmouth.

The squad slumped after these victories and by the half way mark the record stood at 4 wins against 3 losses. The climax of the season came when Captain Geggatt threw a brilliant no-hit game at Barnstable, defeating the Raiders by a score of 7-1.

Student Council

"OH NO! What's the complaint now?" That's the way the Student Council began this year with Arthur Vidal, President; Bill Smith, Vice President; Carol Finnell, Secretary; and Bruce MacKilligan, Treasurer. However, once they got settled in the new Lawrence High School, the Council members took an active part in voicing the problems of the students, and did everything possible to remedy them. For example, when students complained about the food of the lunchroom, the Council consulted Mr. Marshall who in turn helped to take care of the situation by discussing the matter with Mrs. Barry. Also the Council helped to bring about the privilege of students watching television in the Activity Room before attending their afternoon classes.

Other projects in which the Student Council has taken part are: the maintaining of a smoking area in the rear of the building which has proved to be working well, the development of a safety patrol to help with the traffic of the halls betweeen classes, the assisting at P. T. A. meetings as ushers and usherettes, and the securing of an activity bus to transport students to the various football and basketball games throughout the year.

About the beginning of February there began a great deal of activity at those Council meetings every Thursday afternoon. Each member was given special duties, for this year the Student Council held the Spring Convention of the Southeastern Branch of Associated Bodies of Student Councils of Massachusetts in the new Lawrence High School! Under the guidance of Mr. Marshall, Mr. Quick, and Mr. Tassinari, the Council entertained approximately 400 students from the various schools in the area. Of course, this was a happy occasion for all the Council members, for they were proud as they displayed the beautiful new school to all of the guests. After the school tour, the various speeches, the interesting discussions, the wonderful entertainment, and the successful record hop; all the members could honestly say that they had a memorable experience.

The Student Council has had a full schedule this year, but they have enjoyed every minute of their work. It is hoped that the Council may continue to play an active part in the lives of the students at Lawrence High School and may increase in effectiveness in years to come.

Travel Club

ALTHOUGH slow in becoming fully and properly organized, the Travel Club progressed rapidly as soon as all the students decided to get down to brass tacks and demonstrate how well they could work together for a worthy cause.

The first big money-making proposition was the selling of Christmas cards. This started the ball rolling and paved the way which led to the selling of Lawrence High School charm bracelets, and cokes and potato chips at all the home football games. Doing quite well and spurred on by the taste of success, they began to reach for something a little higher and came up with two of the most delicious suppers ever imagined. Put on at different times, the first supper was ham and beans, the second was turkey; both featuring all the foods necessary for a balanced diet as well as a tempting dessert and beverage. Thanks to Mrs. Barry for her much appreciated help plus the use of the kitchen and cafeteria, we can rightfully boast of the success of these affairs. Many heartfelt thanks also to the many mothers who devoted so much of their time and effort to making our card parties and cake sales as successful as they were.

In September, the Travel Club had a grand total of 45 members out of 70 Seniors, and by the time of the actual trip 38 still were active and each one had his rightful share of the $913.06 in our treasury.

The finding of chaperones presented a little problem which, as usual, Mr. Marshall ironed out. It was then made known that Mr. and Mrs. Marshall would chaperone us on the trip. It was quite obvious that the Seniors who took part in this trip enjoyed and deeply appreciated the Marshalls' company on this eventful occasion. Thanks also must be extended to the Travel Club advisos, Colonel Tow and Mr. Wasseth, for their assistance and attendance at the meetings and functions.

The officers who were elected by the members of the Travel Club were William Ferro, President; Jack Sullivan, Vice-President; Gail Amaral, Secretary; and Linda Burton, Treasurer.

Washington Diary

WEDNESDAY, April 14, lucky for us, we had a beautiful day for traveling. At 8:15 we left the familiar grounds of L. H. S. for Providence where we boarded the 10:55 train to Grand Central Station. It was a rare experience having own car on the train. About 12:30 we all had a treat on the five dozen cookies Mom had made, and arrived in New York at 2:30 where we stayed at the Hotel Piccadilly. From there we went to the beautiful Easter Show at Radio City Music Hall, the Perry Como T. V. show, and many of us went to see Richard Anderson's Almanac.

Thursday, April 15, we were up bright and early and ready to leave for Washington, with Ralph Hoffman, our wonderful bus driver. Traveling by bus via Delaware and Annapolis, we stopped off at the Midshipmen Naval Training Center in Annapolis. When we saw the midshipmen marching to their next class, the girls knew what Ralph meant by "A treat for the girls!" We continued on by way of Maryland and arrived in the beautiful city of Washington at 4:30 where we were allowed the night off.

Friday, April 16, we started our tour in the morning, stopped to have lunch at a cafeteria, and continued on until nightfall. We visited the Federal Bureau of Engraving and Printing, the Capitol, the F. B. I. Building, Archives Building, the Franciscan Monastery, Lincoln Memorial, and Ford Theatre, the place where Lincoln was assassinated.

Saturday, April 17, we visited the Jefferson Memorial, Arlington National Cemetery, Mount Vernon, George Washington National Masonic Memorial (Alexandria Va.), the White House, and Washington Monument which was the highlight of the day. The 898 steps up this monument, and 898 down left most of us unappreciative of the Smithsonian Institute—the last stop for the day.

Sunday, April 18, Everyone hated to leave the Hotel Raleigh, but after attending Easter services at the St. Patrick's Church, we continued on our merry way. It was a simply breathtaking trip up the Blue Ridge Mountains to New Market, Virginia, and we certainly don't blame Arthur Godfrey for being prejudiced about this picturesque state. We checked in at the Return Motel and just about washed our

faces when it was time to leave again. This time to the Endless Caverns where we thought we had accidentally picked up a cow but found out later it was only our own Jimmy Souza.

Monday, April 19, we left the Motel and a beautiful summer morning at 8 a.m. Ralph soon learned why the bus seemed so quiet—Arthur Ratsy was finally catching up on his sleep. We arrived in Yorktown, Pennsylvania at 5:00 p.m.

Tuesday, April 20, we left the Yorktown Hotel by way of Philadelphia where we stopped to see the Liberty Bell and then continued on through New Jersey back to the Hotel Picadilly. We stopped at Valley Forge and at night toured the Rockefeller Center T. V. Observation Tower. Being our last night in New York, we all did some last-minute gift shopping and a few ardent fans even went to see Julius LaRosa in person.

Wednesday, April 21, a wonderful and memorable trip was at its end. Six of the more energetic girls were up at 6:30 in order to get down to the Dave Garroway Show and go shopping. The trip home seemed very short which was sad for some and a relief for others. All in all we sincerely hope that Mr. and Mrs. Marshall enjoyed the trip as much as we did, it was in every respect well worth it.

Intelligencer Staff

THAT mad rush for copy on Tuesday afternoon occurred every week without fail, no matter how hard we tried to prevent it; but all the effort was well rewarded when our page appeared faithfully each week in the Falmouth Enterprise.

Under the leadership of Elsie Teixeira and Carol Finnell as Co-Editors, with Joan Dufur and Penny DeMello as Associate Editors, the reporters and other staff members "dug up" all available news and sometimes even made some!

This year brought many new additions to our paper in the form of columns, which were very capably edited by our Feature Editor, Gladys Pacheco. Among these columns is "Worm's Eye View" by Maureen Tracy which is more or less an insight into the goings on at L. H. S. Another feature along the same line is Mary Jane Emerald's "Behind the Scenes"; both of these girls always managed to come up with entirely different views on the ever-developing incidents here at our school. Perhaps the most unusual newcomer to the Intelligencer is the "Mountaineer's Serenade" composed by Gladys Pacheco—need we say more?

Of course the traditional articles still remained, such as the ever-popular "Personalities" which helped us to know our fellow students better, and besides, we all like to see our names in the paper! Also, every week, Judy Perry, Kate Watson, and Barb Jones traveled to all the surrounding grade schools to collect and write up the column known as "School News."

None of us felt our efforts were in vain, however, because again this year the Student Intelligencer won special recognition in the Columbia Scholastic Press Association Contest. The gold stamped certificate posted on the Journalism bulletin board is visible proof of this fact.

The usual change of staff positions took place this January, when the Seniors "retired" from their jobs to make way for the Juniors, (and also so that they might prepare the Lawrencian!) We are all very confident of the capability of the new staff and know they will enjoy their work as much as we did.

And so, in spite of all the headaches and proofreading, we all agree that, wtihout a doubt, preparing the Intelligencer for publication and working with such a swell advisor as Mr. Wasseth, proved to be the most popular activity in school.

Varsity Club

"WE'VE got the coach, team, pep, steam ," and with this began the yearly undertakings of the Lawrence High School Varsity Club. Under the leadership of faculty advisors, James Kinney and George Allietta, the Club experienced a very successful year. The elected officers were:

President	Bill Ferro
Vice President	Dennis Clough
Secretary	Harriett Bourne
Treasurer	Kenny Benoit

The Varsity Club sponsored several rallies with dances held afterwards. Aside from the annual football, basketball, and baseball awards, the Club is proud to announce that this year four additional awards will be presented to those deserving athletes. These awards will be in golf, track, girls' basketball, and cheerleading. The awards in football, which will be awarded for the third year are as follows:

1. Most Outstanding Player
2. Most Valuable Player
3. Most Promising Sophomore

In basketball the following trophies will be awarded:

1. Best Foul Shot
2. Most Valuable Player

Two baseball players will be presented with the following trophies:

1. Best Hitter
2. Most Valuable Player

These awards are a goal for athletes of all types to strive for. They have encouraged both boys and girls to participate in sports and to learn the ways of a good sportsman.

Beside the qualified football, basketball, and baseball players, there were five Senior Cheerleaders that made up part of the Varsity Club. The Varsity Club advisors, Mr. Kinney and Mr. Allietta were a tremendous help in all that the Club undertook.

The Varsity Club, still being a rather new organization, has done remarkably well in promoting true sportsmanship in every line of athletics. As sports are earning a more important place in most student's extra curricular activities, the Varsity Club will, no doubt, increase in size, and become an even more worthwhile organization than it is at present.

Senior Class Play

PRESENTATION of *Dear Ruth* by Norman Krasna in the Memorial Lawrence High School Auditorium, was an invigorating experience to be long remembered by the cast and others connected to the enterprise. Such as the set builders, stage designers, and property men. The March 10th and 11th performances which were thoroughly enjoyable to the audience, exhibited the fine play at its best; it reflected character on the reputation of the Senior Class and the school as a whole. Under the able direction of a newcomer, Mr. Harry Easter to the L. H. S. faculty, and with wholehearted assistance and encouragement from school officials, the cast enacted the play with great enthusiasm and spontaneity. Making personal sacrifices, Mr. Easter did a commendable job of producing and directing, and certainly deserves praise and thanks, not only from all members of the cast, but from the whole Senior Class for making the 1954 Senior Class Play a smashing success.

A vivid war-time comedy, *Dear Ruth* was enriched from beginning to end with witty remarks and ad libbing from all members of the cast. The cast consisted of Gail Amaral as Miss Ruth Wilkens, the twenty-four-year-old object of the play, who retains two beaus of opposite character and personality; John Connors as Lt. William Seawright, a twenty-six-year-old lover in search of a "mythical" Ruth; Constance Carreia as Mrs. Edith Wilkens, a graying, 40-ish woman who retains her composure even though she has brought up two daughters—one of whom is still an adolescent; Theodore Dudley as Judge Harry Wilkens, who in his fifties is a domineering judge of the old school, but has at least twenty more years of fun and humor; Arthur Ratsy as Albert Kummer, the "gummer" of thirty-four, the "square" of the play, the disappointed Casanova; Judy Perry as Miriam Wilkens, the cupid in disguise as the brat, the little "louse;" Elaine Pimental as Martha Seawright, sister to the Lt. resumes an old love affair with Philip Stone, who as Chuck Vincent is finally married to Martha; Robert Joseph as Harold Klobbermeyer is the one-line end-man who cleverly undoes any progress that Judge and Edith Wilkens had made with Miriam and her letter-writing career; and Gladys Pacheco as the quaint French maid, Marie, adds zest to the conversation by a convincing accent and broad smile. Every member of the cast enjoyed acting even though it involved hardships, long rehearsals, and serious memorizing for over two months—and they all regretted that only two performances were given.

The afternoon rehearsals with some Saturday ones offered opportunities for anything to happen—and it usually did. A great many funny incidents occurred and when the cast was first reading the play through, no one could keep from laughing at the comical dialogue. Such lines as, "I'm so sleepy now that I'm numb," and "I was watching you from behind every fat lady," were changed to "I'm so numb now that I'm sleepy," and "I was watching you from the behind of every fat lady." Surprising enough, incidents that were not in the script appeared on the stage during not one, but both nights of the performances. Albert Kummer was certainly having "bushels of fun" knocking down and replacing the vase of flowers. Some members of the cast never laughed so hard as they did then. The cast all had a tremendous amount of fun and enjoyment, and they hope that the preceding classes had and the future classes will have just as much fun as they did.

The stage crew under the supervision of Arthur Vidal constructed one of the best sets that the high school had ever seen; and the stage designers under the supervision of Kate Watson, who was then on crutches, did a marvelous job of wall-papering the set, obtaining the furnishings from Nobska Furniture, and placing them in an attractive, eye-appealing design. The properties crew supervised by John Carroll, obtained all the small properties and essentials, and saw to it that they were on the stage at the prescribed times. The time and labor donated by Willy Nielsen, head custodian of the school and other custodians, is greatly appreciated—for without them the show could not have gone on. The senior class personally thanks all of those who worked and donated so that the play might be a success.

Dear Ruth as presented by the 1954 Senior Class was a complete success due to the efforts and labors of those who really wanted it to be a success.
